

Grow your recovery with Intergroup service

Want to take your recovery to the next level? At Intergroup, you can assist our local SLAA fellowship by putting on events and workshops, doing outreach, maintaining the website, and more.

Intergroup is held the 3rd Saturday of the month from 10 a.m.-12:15 p.m. on Zoom. Elections are held in November and December. View the list of open positions at slaa.sfeb.org under "Intergroup-open positions". But, you don't have to be an officer or rep to attend and do service. Curious SLAA members are welcome!

How will intergroup help your recovery?

- Experience opportunities for leadership, growth & service
- Work collaboratively with your fellows in a supportive environment, guided by the 12 traditions
- Develop healthy communication & conflict resolution skills
- Place "principles before personalities"
- Explore & implement ideas for making our fellowship even better at helping the addict who still suffers!
